UNITED STATES BANKRUPTCY COURT FOR THE DISTRICT OF IDAHO

In re:

GERALD AND ONA LINDSEY,

Debtors.

Bankruptcy No. 03-21652

UNITED STATES JOINDER
IN TRUSTEE'S MOTIONS

The United States of America, through the Internal Revenue Service of the United States joins in the Trustee's Motions to Shorten Time and to Amend the Petition and supports Trustee's motions upon the following grounds and for the following reasons:

1. The undersigned also participated in the first day of the §341 creditors meeting and confirms that the position taken by the Trustee regarding the additional names under which debtors have dealt with their assets and conducted business transactions is correct.

2. Debtors claim to have delivered all records concerning these transactions to a Michael Ioane or Mike Ioane in California; however all efforts to locate a business address or listed telephone number have been fruitless. The address listed for Ioane in Redwood City, CA is a mail drop. This is also the address debtors have listed for Mountain Property Management and Trust. None of the entities listed in the Trustee's Motion are entities which have complied with the law to conduct business under those assumed names in Idaho, Nevada, California, Alaska, or Washington based upon queries to the respective Secretary of State internet sites.

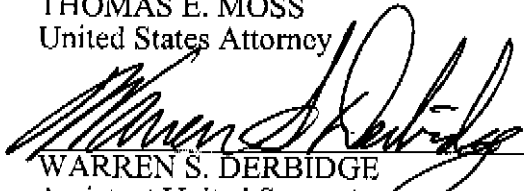

1 3. Internal Revenue Service records search discloses that it has no record of an EIN for
2 National Holding Trust, Equitable Financial Services, or River Mountain Ranch. Some person
3 unknown to debtors purportedly acting for First Amendment Publishers as Trustee for Scarchlight
4 cancelled the assumed name of River Mountain Ranch with the Idaho Secretary of State in April of
5 2003.

6 4. Debtors continue to live in a house which they designed, acted as general contractor in
7 constructing, and selected and controlled the purchase and delivery of all the furnishings, the utilities
8 are paid for by a trust or trusts as well as their medical expenses, use of vehicles insurance and fuel
9 for them.

10 The Trustee's motion to amend an add those names to the petition as names and entities as
11 alter egos of the debtors should be granted to preserve the estate.
